### **NEWSLETTER**

## **The Body and Blood of Christ**

In memory of me!

Isn't memory powerful?

The mysterious way you can suddenly remember where you left something,

or the details of a conversation, or the touch of a hand, the scent of a rose. And you remember with feeling; or you remember the bitter smell of poverty, the fear of being threatened in any way, and you recall the event and relive the feelings.

The feelings and the thoughts - in the memory, and the past can become real in the present. What a life stood for can be recalled, relived, rejoiced in.

Memory can almost bring a person alive - people who are absent, deceased.

That's because real life among us is never dead.

'Do this in memory of me' - in memory of Jesus, not just a retelling of what he said, but a reliving of what he did and stood for:

In memory of me and in memory of the living poor, in memory of me and in memory of the living lonely, and in memory of the starving and the homeless; in memory of me and in memory of the ones who came for healing, and in memory of the ones who came for forgiveness; in memory of me and in memory of the ones who came for acceptance and in memory of those who came searching for God. And in memory of one who died for others.
