Being ready

Being ready and noticing the call of God is one hallmark of being a Christian.

Be ready

to notice the need of God in the people we meet:

In their need to be heard in a time of worry, in their need for care in illness,

for forgiveness when we've hurt each other,

for the conversations that can bring faith in doubt, hope in despair, and love always.

for there is the Son of man coming at an hour you do not expect.

Be ready, says the Lord, to notice the need of God in the millions of hungry children, homeless parents, people even children sleeping rough in our towns and cities; be ready to care, to help, to reach out,

for there is the Son of man coming at an hour you do not expect.

Be ready to notice the love of God reaching you and the world through you.
